

BERT 77 Pricing (January 2006)

BERT 77 conversion tool is available in two versions.

BERT 77 BASIC – full version of BERT 77 software. This version will make generic conversions for your system. It is also a good analysis tool. This version is available at no charge for conversions using 4 CPUs. There is no support for this version.

BERT 77 OPTIMIZED - BERT 77 BASIC plus optimization to one computing environment (i.e. your cluster). This version will make optimized conversions and includes 180 days of support (support period begins after optimization is complete usually about 2-3 weeks).

<i>CPUs*</i>	<i>BERT BASIC</i>	<i>BERT OPTIMIZED</i>
4	free	\$2,000.00
8	\$250.00	\$2,500.00
16	\$500.00	\$3,000.00
32	\$750.00	\$4,000.00
64	\$1,000.00	\$5,000.00
unlimited	\$2,000.00	\$10,000.00

The above prices are for single user license. Additional user licenses can be purchased as follows:

<u>Number of Users</u>	<u>Cost Multiple</u>
1	1
2-4	1.7
Site License	2.5

For example, a 2-4 user license for 16 CPUs of BERT 77 Optimized is \$5,100 (1.7 x \$3,000).

Extended Support:

User support contracts are available beyond the standard product. An annual support contract is available for \$500 plus 15% of the total license cost. The support package includes: 10 support incidents (by email), upgrades, and bug fixes. The support package does not include BERT 77 optimization.

Conversion Support/Training:

Conversion support/training is available at \$250/hour. On-site training must be purchased in 8 hour increments.

ORDERING:

Please use the following numbers when ordering.

<i>CPUs*</i>	<i>BERT BASIC ORDER NUMBER</i>	<i>BERT OPTIMIZED ORDER NUMBER</i>
4	BB-4	BO-4
8	BB-8	BO-8
16	BB-16	BO-16
32	BB-32	BO-32
64	BB-64	BO-64
unlimited	BB-UL	BO-UL

The above prices are for single user license. Additional user licenses can be purchased as follows:

<u>Number of Users</u>	<u>Append to Order Number</u>
1	-1
2-4	-2
Site License	-100

For example, a 2-4 user license for 16 CPUs of BERT 77 Optimized is *BO-16-2*.
